Because you can start now to be what you want to become
You can choose from over 200 degree programmes, including >60 international programmes and >40 delivered in the English language. And after graduation? There are lots of opportunities to specialize and come into contact with the world of work.

Because it provides highest level teaching and research merit
Study grants, fee exemptions and meal discounts. The four internationalization contracts, to become are just some of the opportunities available to deserving students or those who need economic support.

Because it helps you to imagine a better world and work to contribute to it
Projects, initiatives and research facilities for developing new ideas, innovation and knowledge for facing global challenges.

Because it is your passport to the world
Alma Mater, thanks to its international vocation, is related with the most important universities in the world, in a continuous exchange of students and teachers. An experience studying or working abroad is the best way to understand the world and open new ways for your future.

Because it makes room for your passions
Not just studying at the University of Bologna: language courses, university events, music, sport and plenty more to enrich your university experience.

The University of Bologna and its Campuses
Alma Mater Studiorum – University of Bologna is a public, independent, non-denominational and pluralistic institution based across four campuses in the Emilia-Romagna region: Bologna, Cesena, Forlì, Ravenna, Rimini. The overseas branch in Buenos Aires offers post-graduate training, mobility programmes and coordinates academic liaison with Latin America.
